#### INTRODUCTION

The Air Force Academy Political Science Department will host the 37th Air Force Academy Assembly entitled "U.S. Intervention Policy in the Post-Cold War World" from 14-17 February 1995. To assist participants, the Air Force Academy Library Reference Branch prepared this highly selective bibliography. Citations include books, journal articles, report literature, and government publications. Most books have copyright dates no earlier than 1983, and, with a few exceptions, journals and government publications have copyright dates no earlier than 1990. Citations exclude newspaper articles.

This bibliography was compiled and edited by Ms. Frances Scott using the Pro-Cite Bibliographic software. It was further edited and prepared for printing using Enable word processing software.
